

Privacy Policy: Immediate Trader Crypto Auto Trading App

This Privacy Policy ("Policy") outlines how Immediate Trader collects, uses, and protects your personal information when you access or use the Immediate Trader Crypto Auto Trading App ("App").

Information We Collect

Personal Information: We may collect personal information that you provide to us when creating an account, including your name, email address, and contact details. Additionally, we may collect information regarding your financial and trading activities.

Transaction Information: We may collect information related to your transactions on the App, including transaction history, trade execution details, and account balances.

Use of Information

We use the collected information to provide and improve the App's functionality, personalize your experience, and optimize trading performance.

We may use your personal information to communicate with you, provide customer support, and send important notices regarding the App's operation or changes to this Policy.

Information Sharing

We may share your personal information with trusted third-party service providers who assist us in delivering and improving the App's services. These service providers are contractually obligated to protect your information and use it solely for the purposes specified by us.

We may disclose your personal information if required by law, regulation, or legal process, or if we believe that such disclosure is necessary to protect our rights, property, or the safety of others.

Data Retention

We retain your personal information for as long as necessary to fulfill the purposes outlined in this Policy, unless a longer retention period is required or permitted by law.
